Kawasaki Refinery Runs Exhibit for MUZA Day

The Kawasaki refinery (Kawasaki City, Kanagawa; manager: Fumito Fujii) of TonenGeneral Sekiyu K.K. (head office: Minato-ku, Tokyo; representative: Jun Mutoh; “the Company” herein) ran an exhibit, staffed by refinery employees, for MUZA Day, which took place at MUZA Kawasaki Symphony Hall on July 1 to commemorate the founding of Kawasaki City as a municipality.

MUZA Day is an annual event that was established in 2013 to mark the 90th anniversary of the city’s founding. The Company has run an exhibit at the event all four times it has been held.

At the Company’s booth, we offered activities for children, including a concert using a variety of wind instruments, an experimental show called Search for the Secrets of Instruments, and a workshop for making flutes out of straws. The activities, which enabled participants to experience the fun of music, attracted a total of 700 children and their parents visited our booth over two sessions.

The Company will continue to take these kinds of opportunities to contribute to local communities.
