

NUC Production Capacity Expansion Plan

One of the growth options of TonenGeneral Sekiyu K.K. is the enhancement of high-value-added products in its chemical segment. As part of this effort, TonenGeneral Group company NUC Corporation (head office: Minato-ku, Tokyo; president: Keiki Satoh; "NUC" herein) has expanded sales of high voltage and extra high voltage power cable insulation materials in the Asia region. NUC has issued a press release regarding expansion of its facilities to meet increased demand.
